13th March 2023

Dear [REDACTED]

Further to our previous correspondence regarding your request for the following information:

Please supply all uranium air monitoring data from the perimeter air samplers and the distant air samplers from November 1st 2022 - February 2023

Your request has been handled as a request for information under the Environmental Information Regulations 2004 (the Regulations).

A search for the requested information within the Atomic Weapons Establishment (AWE) has now been completed, and we can confirm that information in scope of your request is held.

We are able to disclose the information in the spreadsheet attached. We have collated results from 17th November 2022 – 3rd January 2023, as you have previously received results up to November 17th 2022.

Under section 16, the duty to provide advice and assistance, it may be useful for you to note that due to the time taken to analyse the samples we are not able to provide any further data at this time as the results are not available.

Please remember to quote the reference number above in any future communications. If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you are unhappy with the way your request has been handled you have a right to request an internal review within 40 days of receiving this letter, by writing to information.requests@awe.co.uk or our postal address: Information Requests Team, AWE Aldermaston, Reading, RG7 4PR. If you are still unhappy after an internal review has been completed, under the provisions of Section 50 of the Freedom of Information Act 2000 and Regulation 18 of the EIRs you have the right to take your complaint to the Information Commissioner's Office. Please note the Commissioner will generally not consider a complaint until you have exhausted AWE's internal complaints process.

Yours sincerely,

AWE Information Requests Team
